4. Your Account

4.1 The Gaming Contract

By selecting “I accept the Terms and Conditions” and “I accept the Privacy Policy” as part of the registration process You expressly consent to the valid conclusion of the ‘Gaming Contract’ with Betway.

You may access the current version of these Terms and Conditions at any time for downloading. You may also request previous versions of these Terms and Conditions by sending an email to soporte@betway.es.

By selecting “I agree to receive marketing/promotional communications”, You expressly consent to receive marketing/promotional communications from Betway. You can choose not to receive marketing/promotional material and/or unsubscribe from promotional material sent electronically at any time following account registration by contacting us at soporte@betway.es.

If You expressly consent for Your name to be used for advertising and promotional purposes, this will be without compensation except where prohibited by law.

The ‘Gaming Contract’ entails the general rules applicable to Your relationship with Betway. However, each single bet or play entails a specific betting contract with Betway and as such it is comprised by the following stages:

- The advertising of a game/market/odd from Betway;
- Your stake or offer of the amount you wish to wager; and
- The acceptance and confirmation of Your betting offer by Betway.

No specific single bet or play contract shall be deemed as accepted, completed and performed until the relevant bet appears as ‘confirmed’.

Confirmation of bets or the offer of the amount the Customer wishes to bet could be denied in order to:

- Protect the viability of the offered market (for instance, in relation to, but not limited to, events where there is an extraordinary or unbalanced number of stakes on the same market);
- Protect You (for instance, in relation to, but not limited to, the event in which You show a pathologic behaviour and You refuse to self-exclude);
- Protect other Customers (for instance, in relation to, but not limited to, the event You have a betting pattern that could negatively affect the regular betting activity of other Customers); or
- Protect us (for instance, in relation to, but not limited to, the event You show a money-laundering, collusive or fraudulent behaviour, we have the suspicion that You are using a third party's account, You are permitting the use of Your account by a third party, or You

are making use of automated means, bots, software or similar means, or practicing arbitrage).

Depending on the level of risk, instead of denying a wager offer, we could accept a bet for an amount lower than the amount offered by you. In that case, You will always have the right to reject our counter-offer. Again, for the avoidance of doubt, no bet will be deemed as accepted, completed, and performed until it appears as 'confirmed'.

4.2 Single User Registration

You may only open and operate with a single user registration. If You hold more than one user registration, we will suspend those user registrations until all data and balances (belonging to You) are consolidated. Once consolidated, all other user registrations will be terminated, leaving only one active registration.

4.3 Accuracy

You must keep Your registration details up to date. If You change Your address, email address, telephone number or any other contact or personal information please contact us in order to update Your account information.

4.4 Password

When You activate Your Customer account You must choose Your own password combination. You are asked to keep this information confidential. Any actions carried out through Your account will stand if Your account number and password have been entered correctly.

The minimum length of the password shall be eight characters or digits and shall include at least elements from three of the following groups: numbers, lowercase letters, uppercase letters and other symbols. The password may not contain any of the following: the username, pseudonym, first or last name or date of birth of the participant.

Betway will provide you with a reminder to change your password at least once a year, but you are not required to change your password.

The login and password identification mechanism will be blocked if more than five incorrect login attempts are made on any one day, although Betway may set a lower limit than this requirement.

4.5 Account Dormancy

4.5.1 Dormant / Suspended Accounts (after 24 months of inactivity)

If You do not use Your gaming account for a period of 6 months, Betway will carry out further verification of Your identity in order for You to resume Your gaming activity.

Betway may suspend your gambling account after a period of 24 months (2 years) of uninterrupted inactivity. Your user registration may be activated upon prior request.

4.5.2 Dormant / Closed Accounts (after 4 years since suspension)

Any account suspended uninterruptedly for 4 years will be closed. If the account to be closed holds a positive balance, Betway shall return any remaining funds to the payment method used to make a deposit on the account if the traceability and verification of the payment method allows the refund.

4.5.3 Administrative fee applicable to dormant accounts

An administration fee of 5 € will be deducted from gaming accounts suspended for inactivity on a monthly basis until such a time as the account is no longer holding a positive balance, has become active once again, or has been closed.

4.6 Inter-Account Transfers

The transfer of funds between gaming accounts associated with different user registrations is strictly prohibited.

4.7 Customer Account Suspension or Cancellation

Betway may suspend or cancel Your gaming account if there is reasonable suspicion or evidence that You are using it in a fraudulent or collusive way, violating these Terms and Conditions, the Responsible Gaming, and Anti-Money Laundering Policies, the Applicable Law or, additionally, if You are damaging in any way the rights of other customers or of Betway or allowed third parties to access Your account; specifically, Betway may suspend or cancel Your account at any time in the following cases:

 - If You have allowed or permitted (intentionally or unintentionally) someone else to play using Your Betway account;
 - If You have played in a professional capacity or in tandem with other Player(s) as part of a club, group, etc. Betway is for sole use on an individual basis for personal entertainment only;
 - If Betway has received a "charge back" and/or a "return" notification via a deposit mechanism used on Your account;
 - If You are found colluding, cheating, money laundering or undertaking any kind of fraudulent activity at Betway
 - If it is determined by Betway that You have employed or made use of a system (including machines, computers, software or other automated systems such as bots etc.) designed specifically to circumvent or prevent the normal functioning of bets, the gaming system or Betway;
 - If You use our Website, software or Your account in bad faith;
 - If You make statements that are sexually explicit or offensive while using our chat facility, this includes expressions of bigotry, racism, hatred or profanity;
- OR

- If Betway should become aware that You have played at any other online casino under any of the circumstances set out at above.

In the event that your gaming account has to be suspended or terminated for any of the above reasons, Betway reserves the right to recover from you any amounts, losses, damages, costs and/or expenses incurred or suffered thereby, and Betway may withhold any withdrawals and/or confiscate all winnings in order to pay such amounts.

4.8 Voluntary Account Termination and Temporary Suspension

You can terminate the Gaming Contract and, accordingly, close Your gaming account at any time. In case of having pending bets or having an active balance in the gaming account, You must wait for all pending events to be concluded and credit the eventual winnings or prizes.

Once the balance is credited and pending events are concluded, Betway will process the withdrawal order of the balance that the player has available and that Betway will process prior verification of the player's identity and their non-status as a Prohibited player. You are also entitled to suspend Your account at any time.

Barring any error, the gaming account will never have a negative balance. Any negative balance present in the gaming account, due to any error, will be immediately due and payable to Betway and your user registration will not be closed until the amount in question owed to Betway is paid in full.

If You wish to temporarily suspend or terminate Your account please contact Betway on soporte@betway.es. Should You wish to suspend Your account due to gaming addictive conduct, please check the Responsible Gaming policy in the Terms and Conditions.
